

I live in an orphanage,
and kids are brought in
regularly, so the director
often asks me to go
buy clothes here.

I see! Looks like you
know a thing or two,
I wanted to buy girls'
clothes for an 8-9
year old cousin...

Oho, what kind of
figure do they have?
What style of
clothing do
they like?

A night scene featuring a large, bright full moon in the upper left corner, partially obscured by dark, wispy clouds. In the center-right, a large, dark pyramid is visible against the dark sky. In the lower right, another pyramid is partially visible, with a sign attached to it that reads "SARAH'S" and "1975". In the lower left, a portion of a building with a striped pattern is visible. A large, glowing white circle is positioned in the center of the image, containing the text "Will she really look okay in this?".

Will she
really look
okay in this?

Happy New Year, everyone!

I promise I won't burn myself out
this January like I did last time...
